Sheen Stickland have continually demonstrated their specialist knowledge of the Third Sector and have the experience and expertise to fully understand the complex and regulatory accounting needs of our charity.

“

Cemoc has been using the Sheen Stickland payroll service for over 12 years, and I cannot ever recall a single problem. We particularly value the personal service and flexibility. As a small technology business, we sometimes need to be able to call on expert advice, as well as outsource the important but complicated regular payroll duties with the minimum of fuss. I have complete confidence in the Sheen Stickland service.
